RE: Requesting for a Logbook and Recommendation Letter

Dear sir,

I hope this letter finds you well. My name is NZABONIMANA Willy Bertrand, a fourth-year student at Mount Kenya University, currently pursuing a Bachelor's degree in Business and Information Communication Technology. As I prepare to embark on my journey to gain practical experience through an internship, I am writing to request your assistance in providing me with a logbook and a recommendation letter.

The logbook will be instrumental in documenting my internship experiences and achievements, ensuring that I maintain a comprehensive record of my learning and development throughout the internship period. Additionally, a recommendation letter from you would significantly enhance my application, showcasing my academic accomplishments and potential to prospective internship providers.

I am confident that an internship will enable me to apply the theoretical knowledge I have acquired during my studies, while also providing valuable insights and practical skills necessary for my future career in information technology. Your support in this regard would be greatly appreciated. Thank you for considering my request. I look forward to your positive response.

Warmest regards,

NZABONIMANA Willy Bertrand
